# CRAFTSMANSHIP

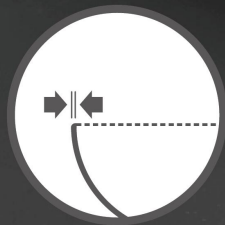

The CRAFTSMANSHIP is for Joy & Fortune an element of distinction and a guarantee of professionalism.

What emerges from J&F product is the artisan touch that distinguishes each product and gives it prestige and uniqueness: attention to detail, careful research of materials and elegance in the final expression of the concept.

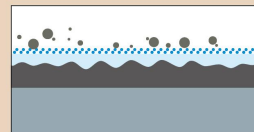

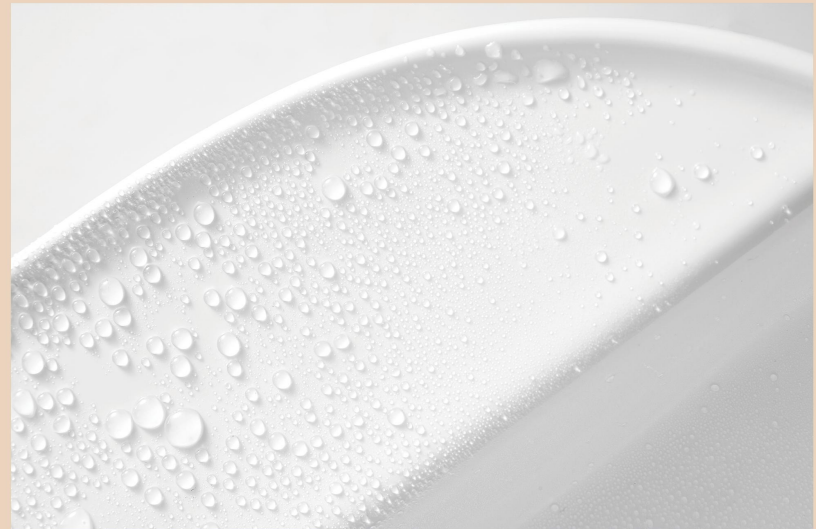

**Ultra-thin edge**  
Elegance, perfection,  
lasting reliability

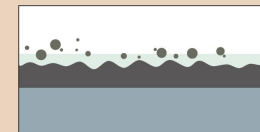

## HYGIENE PLUS GLAZE

By minimising surface porosity, lifetime glaze facilitates water flow and cleaning, which ensures our ceramic products have long-lasting smooth finish. New Hygiene Plus glaze is evolutionary high-performance treatment that improves surface quality and manifests superior long-lasting brightness.

### Hygiene Plus Technology

Hygiene Plus surface is always smooth and shiny. Dirt & stain can be easily removed after use and no space for bacteria.

### Ordinary ceramic glaze

Tiny cavities offer accommodation for dirt and stain. Even worse is bacteria breeds under this environment.
