## About us

Guangdong YouGee Kitchen And Bath Technology Co., Ltd has been established in 2007, is a comprehensive bathroom company that integrates the design, production, and sales of bathroom cabinets, LED mirrors, shower rooms, bathtubs, and other integrated bathroom products. Adhering to the concept of "creating the top brand of the modern simple bathroom in China", we are committed to producing high-quality bathroom products. Based on the domestic and international markets, YouGee's products are distributed to more than 60 countries and regions around the world, such as North America, Italy, Germany, France, Australia, Dubai, etc. Established long-term and stable business relationships with major building materials supermarkets from all over the world.

With a 32000m workshop area, 5 modern production lines, and scientific management, adopting scientific production management methods, Qilong has formed a production system integrating R&D, production, and inspection, which has changed the production of the traditional bathroom cabinet industry. It has made active exploration for standardized production and management of China's bathroom line. "Everything around the customer" is the basic demand of our factory and "think customer thinks" is our action guide. We believe that we are always your best cooperative partner. Looking forward to cooperation with you in the near future.
